

Sophus Lie conference center

During the summer, Fjordane Folk High School is transformed into the Sophus Lie Conference Center and Fjordane Summer Hotel.

The conference center offers an auditorium, classrooms/group rooms, a dining hall with catering, a lounge with a fireplace, a fully equipped gym, a beautiful outdoor area, and is within walking distance of Nordfjordeid town center. www.hjartestad.no

All rooms are located in one of the pavilions and are part of the school's dormitory. Nine pavilions form a courtyard, with each pavilion being a charming and standalone house featuring 2 single rooms and 4 double rooms, totaling 10 beds. The pavilion has a shared living room with a TV, as well as a separate bathroom with a shower and toilet.
